## **II. Basis for Jurisdiction**

Federal courts are courts of limited jurisdiction (limited power). Generally, only two types of cases can be heard in federal court: cases involving a federal question and cases involving diversity of citizenship of the parties. Under 28 U.S.C. § 1331, a case arising under the United States Constitution or federal laws or treaties is a federal question case. Under 28 U.S.C. § 1332, a case in which a citizen of one State sues a citizen of another State or nation and the amount at stake is more than \$75,000 is a diversity of citizenship case. In a diversity of citizenship case, no defendant may be a citizen of the same State as any plaintiff.

The Plaintiffs submit assert to this honorable court this Complaints and Claims for a Punitive Dame in nature as well.

**ARGUMENT**

The Plaintiffs argue the damage and defamatory loss by the fraudulent conducts of the Defendants and the damages due to their slanderous, Libel and defamation of Character, are at higher stake. Therefore the Plaintiff demands the Court that shall find the Defendant in violation of formation of a Valid claim of Defamation Per Se, Libel Per

Se, Slander Per Se. The Plaintiff has no legal obligation to prove false allegations, and the falsity of the defamatory statements rather, the defendants must prove that their defamatory statements are true and genuine and factual. Plaintiff relies on the Honorable Court for Defendant's Material Misrepresentation and Forgery of Plaintiff's Signatures, documents and fraudulent actions. The Plaintiffs also argue that the Defendants shall be responsible for plaintiffs damages of reputations and dignity and social values and contextual standing.

**RELIEF REQUESTED**

Plaintiffs argue that with the preponderance of evidence there is at least one genuine issue of material fact beyond a reasonable doubt, a Jury should find for the Plaintiffs. The Plaintiffs request this Honorable court to allow the right to Jury Trial. Therefore, the Plaintiff moves this Honorable Court to allow and grant an Injunction to stop the defamatory Movie "Prime Minister's Men" immediately in adequacy of law and for the purpose of the judicial notes we demand this court for a Punitive Damage of Five Hundred Million Dollars to deter for furtherance in near future. The Plaintiffs reserved the rights for future costs, court costs and should there be Attorney's costs and fees incurred in this litigation.

**CONCLUSION**

Plaintiffs beg and respectfully request the Honorable court to focus on the fraud and forgery issue of the Defendant(s). Plaintiff seeks justice in the merit of the evidence and witness as well as justice as a matter of the law. Plaintiff argues that with the
